JUSTICE COURT

Harry Kingen was held to answer in Superior Court on a charge of burglary. The chief witness at the preliminary hearing was L. W. Simmons of the Central Garage, from which, it is said, Kingen on September 13 unlawfully removed three tires, four tubes, one new horn, one battery and starter. James Peralt, a minor, alleged to have been associated with Kingen in the burglary, was certified to the juvenile department of the Superior Court. Kingen, who gave his age as 19, recently completed a six-months jail sentence, according to the arresting officers.

Henry Dietrich, of Cypress street, who was charged with a violation of the Wright act, was released under \$500 cash bail and asked until 3 o'clock, Sept. 24, to plead. It is alleged that the raiding party found in Dietrich's possession two five-gallon jugs of wine, five one-gallon jugs, three half-gallon jugs, and 21 bottles.

M. B. Garton, a real estate dealer of Hawthorne, was taken into custody about 6 o'clock Tuesday evening. After zigzagging down Narbonne avenue, Garton, climbed in Nibs Beckman's car, parked at the corner of Weston street. After a night in Torrance jail Garton couldn't account for the bottle of hooch found in his possession, didn't know with whom he had been nor where he left them; in fact, his mind was a blank as to what had happened preceding his decidedly wobbly condition. He left Lomita poorer by just \$250, the fine imposed by Justice Hunter.

Edison Co. Asks Deposit Increase

The Southern California Edison Company, distributing electric energy in the counties of Tulare, Kings, Santa Barbara, Ventura, Los Angeles, Riverside, Orange and San Bernardino, has applied to the Railroad Commission for authority to increase its service deposit for residence or domestic service from \$2.50 to \$3.50. It is stated in the application that the company's experience has shown that the present deposit of \$2.50 per service is not sufficient to guarantee payment of bills by certain classes of consumers, particularly those of a transient nature, and that the increasing of the service deposit will be a direct benefit to permanent consumers by reducing materially uncollectible accounts from transient consumers.

HEINZ "57" Week at SAFEWAY STORES

Safeway enjoys selling such merchandise as Heinz—because it represents proven worth—enjoyable quality; money's-worth value to the consumer.

Heinz' enviable position in the business world—and the Safeway's as well—have been gained by unflinching adherence to certain ideals.

—prices given here are proof that Heinz good quality products are—indeed, very moderate in price.

Heinz Baked Beans are really oven baked—four kinds:

- Heinz Baked Beans are not just steamed or boiled and then baked a trifle in order to make use of the word Baked. Heinz are actually baked—that prepares them for you without taking away any of the rich, nutritive values;—cooking or boiling merely softens them, losing much of the food values: the salts—and the vitamins.—baking makes the beans taste better, meatier, and more enjoyable.
- Baked Beans with tomato sauce and pork. —medium tin 14c 6 for 80c
- Baked Beans with pork, but without tomato sauce, Boston style, med. 14c 6 for 80c
- Baked Beans with tomato sauce, but without meat, vegetarian style, med. 14c 6 for 80c
- Baked Red Kidney Beans, in a delicious sauce, with pork. —medium tin 16c
